## Volume One August 2022 Newsletter

Hello GFWC State Advocates for Children Chairmen, State Directors of Junior Clubs, and State Presidents!

Welcome to the GFWC Juniors' Special Program: Advocates for Children! I am honored to serve as the 2022-2024 chairman. This Newsletter will be my communication tool to provide important information, offer project ideas and reminders of relevant events through the year. Remember this Special Program is open to all Women's Clubs, Junior Women's Clubs, Juniorette Clubs, and International Affiliates to make a difference in the life of a child in your local community and in the broader community.

I invite you all to join the private Facebook page: GFWC Advocates for Children.
